SOCIO-ECONOMIC DEVELOPMENT FUNDING APPLICATION FORM

Our socio-economic development strategy is primarily directed at the educational, nutritional and social development requirements of vulnerable children.

The Lewis Group socio-economic development programme ensures that equal consideration is given to all requests for assistance; that our decisions are both fair and consistent; and that we comply with best practice guidelines.

In order to be considered for assistance, please ensure that the completed application form is clear and legible. It is important that all the questions are answered as extensively and clearly as possible. This will assist the SED Department to deal with your application quickly and efficiently. You are required to attach any other documentation which is relevant and which will support your application, including proof of registration as a Public Benefit Organisation (copy of letter from SARS).

Applications for funding can be submitted throughout the year and will be responded to in writing after each fortnightly meeting of the SED committee.

If your request is approved, we will require a tax exemption receipt in terms of Section 18A of the Income Tax Act.
